Muhammad Faja Tirta Sumitra
Web Developer

Bogor City, West Java 16143 • fajasumitra0@gmail.com• +6285716133008

PERSONAL INFORMATION

A highly motivated and driven 7th semester Software Engineering student at the University of Education Indonesia, with a strong passion for web development. Can do Fullstack web development using MERN (MongoDB, ExpressJS, ReactJS, NodeJS), NextJS, Vue.js, and Laravel to create user-friendly web applications. Eager to gain hands-on experience to further enhance my skills and knowledge in the field.
